Project structure

The background of the slide is a gradient of light orange and yellow. On the left, there is a vertical white bar. The right side features a faint, stylized illustration of an oil rig and a city skyline. The text 'Usage loop' is centered in a white, bold, sans-serif font within a dark red rectangular box.

Usage loop

HalScripts

Friendly CLI

```
Options:
  --version          Show version number [boolean]
  -u, --url          Url of the forum origin to add in the DataBase [string] [required]
  -n, --number_of_page Number of pages that the classifier should test to find the possible paths [number]
  --noproxy, --np    Avoid the usage of proxy(in case of a .onion link this options will be ignored) [boolean]
  -v, --verbose      Verbose log mode [boolean]
  --help             Show help [boolean]
```

```
Options:
--version          Show version number [boolean]
-d, --dark         Scrape dark web origins. Cat. 2[boolean] [default: false]
